

Holy Cross Lutheran School Tuition & Fees 2022-2023

It's important to note that the actual cost for each child attending Holy Cross is approximately \$7,500 per year. Depending upon the rate of tuition families pay, the congregation pays at least \$3,000.00 of each child's total yearly tuition. We praise God that the congregation's mission continues to be the support of the education of the children in our school.

Holy Cross Lutheran School, like all other organizations is facing an increase in costs for salaries and supplies. Although we are doing our best to keep the costs in check, the Board of Education has approved these new rates and fees in order to meet the increased financial needs of the school. Our school has been blessed with wonderful philanthropic gifts to provide scholarship support for families at Holy Cross. We invite any families who may wish to learn more about these opportunities to speak with Darrin Houck, Dena Lay or the Board of Elementary Education.
